Sir,-

S.W.¼ of Sec. 6 Tp. 32 Rge. 25 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Dear Sir:

That part of your letter with regard to changing your title so that it might correspond with the acreage as shown on the most recent plan has been referred to the Registrar, Land Registry Division, Lands, Parks and Forests Branch of this Department, for their attention.

Dear Sir,

Re Section 28-44-15 W.4th Mer.

Re your letter of the 6th ultimo to the Surveyor General about the discrepancies in the areas of some of the quarters of section 28, township 44, range 15, west of the 4th meridian, as shown on the latest township plan and as mentioned in the letter at present, also the Surveyor General's reply, I am enclosing for your information a copy of my letter to the Minister, Land Titles Office, Edmonton, Alberta. This matter should now appear to be settled between yourself and the Minister.

Yours very truly,

Encl.

J. C. Robertson, Esq.,
Strome,
Alberta.

17th September, 1913.

Copy for Mr. J. D. Robertson, Strome, Alberta.

The Registrar, Land Titles Office, Edmonton, Alberta.

We have received a letter from Mr. J.D. Robertson of Strome, Alberta, asking for a sketch of section 28, township 41, range 18, west of the 4th [illegible], as he understands that the section has an overrun on the north, also asking what could be done to have the [illegible] mentioned in the titles changed to correspond with the measurements.

In dividing our lands into [illegible] the practice has been to allow as near as possible 160 acres less 1.19 acres to the quarter section, making the [illegible] Railway Company for right of way or [illegible] of each of the three remaining quarters of this section is 160 acres. The measurements were imposed in the years 1907 and 1908. The only plan of the township in existence at that time is the one dated the [illegible] March, 1894, according to which the area of each of the quarter-sections is theoretic, that is, 160 acres.

Later surveys proved that the measurements of section 28 according to the original survey were not correct. However, under Sections 62 and 64 of the Dominion Lands Surveys Act, Chapter 117, R.S.C. 1907, the boundaries of the legal quarters of section 28 are defined by the monuments placed at the corners thereof until after the completion of the survey or resurvey by the surveyor General, so the true boundaries of the quarter-sections would by the several monuments so placed regardless of whether they be found to contain more or less than the quantity mentioned or expressed in any [illegible] plan or in any letters patent.

There is no doubt, therefore, that the Department under the letters patent issued will dispose of all vacant lands within the limits of the quarter-sections as defined by the monuments regardless of the areas mentioned in the patents. Therefore, as far as this Department is concerned, there is no objection to the correction

(over)

of the areas mentioned in these patents in the following manner, so as to agree with the areas shown on the latest township plan dated 7th May, 1930:-

1. The area of the northwest quarter to be changed from 160 acres less 2.18 acres for the right of way of the Canadian Northern Railway to 160 acres less 2.18 acres for the railway right of way, leaving a net area of 160.81 acres instead of 157.82 acres.

2. The area of the southeast quarter to remain unchanged at 160 acres.

3. The area of the southwest quarter to be changed from 160 acres to 161 acres.

4. The area of the northeast quarter to be changed from 160 acres to 161 acres.

A copy of this letter is being forwarded to Mr. Robertson for his information.

[illegible] for in this Department is [illegible] there is no objection to the [illegible] of the areas [illegible] quarters of said section, in order to agree with the latest [illegible] plan dated 7th May, 1913, as follows:-

1. The area of the northwest quarter to be changed from 158 acres less 2.18 acres for the right of way of the Calgary and Edmonton Railway, to 152 acres, less 2.18 acres for the railway right of way, leaving a net area of [illegible] acres, [illegible] 149.82 acres.

south of River Bivet.

With reference to your memorandum of the 24th January last, [illegible] to state that a letter has been received from the Registrar at Calgary stating that, in his opinion, the areas in the patent for the above mentioned lands should refer to the river of Section 11 and the South East quarter of Section 14-7-[illegible]. As approved and confirmed on the 20th October, 1922, which he presumes was intended to more clearly define the river banks. In this connection I am to state that it is the opinion of this Division that the description in the patent for the portion of the South East quarter of Section 14 south of river should contain a reference to the said plan but the land south of the river in the South West quarter of said Section 14 should be described as shown on the township plan dated the 23rd October, 1913, as the title in the first mentioned plan does not include the South West quarter of Section 14. An expression of your views in the matter will be appreciated.

MEMORANDUM.

F. H. Peters, Esq.,
Surveyor General.

Re 3½ & S½ Sec. 14-7-29-4.
South of Oldman River.

With reference to your memorandum of the 2.th January last, your file T. 7-29-4, I beg to state that a letter has been received from the Registrar at Calgary stating that, in his opinion, the areas in the patent for the above mentioned lands should refer to the plan of Section 11 and the South East quarter of Section 14-7-29-4, approved and confirmed on the 20th October, 19..2, which he presumes was intended to more clearly define the river banks. In this connection I beg to state that it is the opinion of this Division that the description in the patent for the portion of the South East quarter of Section 14 south of river should contain a reference to the said plan, but the land south of the river in the South West quarter of said Section 14 should be described as shown on the township plan dated the 23rd October, 1912, as the title on the first mentioned plan does not include the South West quarter of Section 14. An expression of your views in the matter will be appreciated.

Director, Technical Division.

Dear Sir,

I have just received a letter from you today regarding my application to purchase the Fraction S.W. ¼ 36 - Tp. 54, Rg. 23. You tell me that it has been decided that this belongs to Lot 30.

The Land Inspector has not remarked that there is a road of 66 feet which separates the Fraction from Lot 30, and that there is also a road which separates my land from the Fraction, then who has the first right to purchase this fraction before changing the old road for the new I touched this Fraction on the corner. I have had my land for 35 years and I always thought I would have the preference and the first right. I made application for this acre in the month of April, 1926.

Expecting that you will consider my request,

I remain

Yours very truly,

Mrs. (Widow) Exzelie Derval,

Dear Mr. E. O. Coté

I wrote to you last month but I have not received your news regarding this fraction of the S.W. 1 36 - 54 - 23 which it is said belongs to Lot 30. The owner of Lot 30 does not own all of Lot 30. I own 22 acres on the same Lot 30 which adjoins this fraction. Therefore according to the information that has been given me this fraction would be mine by preference, it has always adjoined my land. As I said in my last letter, the Inspector had not remarked that there is a road of 66 feet between Mr. Smith and this fraction, because that is in the thick bush.

Awaiting a reply, I remain

Cher sénateur Lessard,

Me référant de nouveau à votre lettre du 18 écoulé, contenant une lettre de Mme Eugénie Derval se rapportant à un certain petit lopin de terre d'une superficie d'une acre, compris dans le ¼ S.-O. de la section 36, township 54, rang 23, à l'ouest du 4e méridien, qu'elle a demandé d'acheter, j'ai l'honneur de porter à votre connaissance que le privilège accordé à M. B.B. Smith de faire l'achat de ce terrain, à condition de fournir au Ministère la preuve qu'il est le propriétaire enregistré du terrain adjacent, lui a été retiré, le Ministère ayant été informé par les avocats de M. Smith que celui-ci n'était pas en mesure de produire la preuve exigée.

Il a donc été décidé d'accorder le même privilège à Mme Derval, à condition qu'elle produise la preuve qu'elle est propriétaire du terrain adjacent.

Madame,

Me référant de nouveau à votre désir d'acheter un lopin d'une acre compris dans le quart S.-O. de la section 36, township 41, rang 12, à l'O. du 4e méridien et situé en dehors du groupement de Fort Saskatchewan, je dois vous faire savoir qu'une autre personne a déjà eu la permission d'acheter ce lopin de terre; mais, comme elle n'a pu remplir les conditions imposées par le Ministère, ce privilège lui a été retiré. On a donc décidé, dans les circonstances, de vous permettre de faire l'acquisition de ce lopin sur paiement d'une somme de $40.00 et à condition que vous produisiez ici soit un extrait du titre, soit la duplicata du titre de propriété, (ce dernier vous serait retourné après avoir servi aux fins du ministère) établissant que vous êtes le propriétaire enregistré de la partie de la moitié ouest de la section 36 du même township située en dehors du settlement. Vous pouvez obtenir un extrait du titre en vous adressant au Registrateur, Bureau des titres des terres, Edmonton.

Le prix d'achat sera dû et payé le ou avant le 1er juin prochain à l'Agent des Terres Fédérales à Edmonton, auquel je vous prie de faire parvenir une copie de la présente pour qu'il soit au courant de l'affaire.

Gentlemen:

Replying to your letter of the 23rd ultimo, relative to the application of your client Mr. E.T. Smith of Fort Saskatchewan, Alberta, to purchase the one acre parcel of land in the south east quarter of section 30, Township 54, Range 22, west of the 4th Meridian, lying outside Fort Saskatchewan Settlement. I may add that in the circumstances and as Mr. Smith's lot was also one of the applicants to acquire this fractional area in connection with her adjoining property, she has been permitted to purchase the three acres of land in question on the same terms.

Dear Mr. Blyth:-

I have given a copy of your letter of June 30th addressed to the Commissioner of Immigration, requesting the desire of the honorary minister of the town of Vegreville to obtain information relating to S. Nikiforuk and the S.E.¼ 30-53-13-4th. In mentioning the land he probably quoted the wrong township as a man named Wasylaj. Nikiforuk obtained homestead entry for the S.E.¼ 30-53-13-4th on September 4th, 1900. He informed the Agent of Dominion Lands that he was single, Austrian nationality and born in Galicia. He applied for patent for the land on September 18th, 1903, and in his sworn statement of that date gave his age as 30 years and stated that he had a wife and one child. He was requested to furnish evidence of British nationality and he forwarded a certificate of naturalization dated January 4th, 1907, which was returned to him on March 18th, 1907. Patent was then issued in his name on April 30th, 1907. His address was Holmes, Alberta.

Dear Sirs:-

We are assisting Mr. Peter Henry Olsen, of this place to obtain an old age pension. He requires certain information with regard to a homestead for which he made entry about 1903, and which he proved up about 1907. Unfortunately his memory is poor and he can give us little definite information as to dates. As to the description of the land, all he can tell us is that it was in Township 36, Range 3, West of the 5th meridian. He is also unable to inform us as to where we can get a more accurate description.

Would it be possible for you, without too much trouble, to give us the exact quarter on which he made entry? If possible, we would also like to have the following information,- The date he made entry. The date he made proof. The periods of residence shown on his application for patent.

Any assistance you may be able to give will be greatly appreciated.

Yours truly,
